I am a full stack web developer who thrives on work that is exciting, creative, and liberating. Continuously challenging myself every day brings me passion and inspires me to keep learning.

Skills

- Languages: HTML, CSS, Responsive Design, JavaScript, Node.js, Python, SQL, MongoDB
- Frameworks: React, Express, Mongoose, Django
- Tools: VS Code, Git, GitHub, Bootstrap, Normalize

Experience

General Assembly | Web Development Immersive Student | Washington, D.C. May 2018 to August 2018

- Invested 500+ work hours over 12 weeks learning and practicing full stack web development
- Completed individual and team projects focused on front end, back end, and full stack development
- Created Rap Live, a webcam-to-webcam rap battle service using JavaScript, the Bistri API, and Bootstrap
- Developed The Recipe Hub application using React, Node.js, Express, and the Food2Fork API
- Constructed an Orlando Magic fan page using Node.js, Express, Handlebars, MongoDB, and Mongoose
- Built *The Office* trivia game using JavaScript, HTML, and CSS

HireStrategy Staffing Agency | Contract Admin Assistant | Washington, D.C. October 2017 to January 2018

- Digitized over 500 former and current employee files into HR Personnel Archive for easy access
- Reconstructed 20-page staff directory to streamline efficiency for new employee additions
- Provided daily support through conducting research, creating Excel spreadsheets, and handling sensitive employee and financial information

Tre Native | Music Video Production Coordinator | Atlanta, Georgia March 2017 to September 2017

- Worked with major artists to create videos for their brand, including Spotify, T.I., and Future
- Organized theatre premieres and various logistics for video shoots
- Rapidly ascended from production assistant to production coordinator

Media Research Center | Writer Intern for MRC TV | Reston, Virginia September 2016 to December 2016

- Published multiple articles on MRC TV website every day during 2016 election cycle
- Featured three times as a trending headline on *The Drudge Report*, a news aggregate website viewed by millions of people each month

The Weekly Standard | Copy Editor and Writer Intern | Washington, D.C. June 2015 to August 2015

- Assisted Executive Editor Fred Barnes and staff with daily assignments
- Fact-checked, proofread, and wrote articles for the physical magazine and online blog
- Attended and reported on Senate hearings, including former FBI Director James Comey

Leadership

College Politics Liaison | Alpha Tau Omega | Gainesville, Florida September 2016 to August 2016

- Recruited members for political clubs at the University of Florida
- Held debates with College Republicans and Democrats on abortion, death penalty, and immigration
- Promoted mutual respect and understanding
- Organized friendly competitions between the College Republicans and Democrats

Creative Casting Director | Gator Growl Pep Rally | Gainesville, Florida July 2014 to October 2014

- In charge of casting characters for video segments that aired during pep rally

Team Co-Captain | UF Basketball/Racquetball Intramurals | Gainesville, Florida September 2014 to December 2014

Education

General Assembly | Web Development Immersive Student | Washington, D.C. May 2018 to August 2018

University of Florida | B.S. in Telecommunications | Gainesville, Florida August 2012 to August 2016

- Focus on media and society – Concentration in Business Studies
- Recipient of Florida Bright Futures Scholarship
